### **What is Title I?**

*The Kindezi School is identified as a Title I school as part of Every Student Succeed Act of 2017 (ESSA). Title I is a federal program that provides funding to local school districts to help ensure that all children in district Title I schools meet the state's high academic standards. Title I programs must be based on effective means of improving student achievement and including strategies to support parent and family engagement. All Title I schools must jointly develop with all parents and families a written parent and family engagement policy/plan.*

# School Plan for Shared Student Achievement

### **What is it?**

This is a plan that describes how The Kindezi School will provide opportunities to improve family engagement to support student learning. The Kindezi School values the contributions and involvement of parents to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that The Kindezi School will support parent engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

### **How is it developed?**

The Kindezi School invites all parents to attend our School Wide Planning and Budget meeting to review and revise this parental involvement policy, our school-parent compact and the parental involvement budget. Additionally, parent input and comments regarding this plan are welcome during the school year. The plan is sent home with each student by September 30<sup>th</sup>. It is available in the Parent Resource Center, electronically through Facebook and email for parents to view and submit feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year. We also distribute an annual survey online and by mail to ask parents for their suggestions on the plan and the use of funds for parental involvement. Parents can also give feedback during parent meetings and activities during the school year.

### **Who is it for?**

All students participating in the Title I, Part A program, and their families, are encouraged and invited to fully participate in the opportunities described in this plan. The Kindezi School will provide full opportunity for the participation of parents with limited English, parents with disabilities and parents of migratory children.

### **Where is it available?**

The plan is distributed in hardcopy with each student, and distributed at the Annual Title I meeting. Parents can also retrieve a copy in the main office, the Parent Resource Center and electronically.

## 2017-2018 District Goal

### ACADEMIC PROGRAM ...

#### 2018-2019 The Kindezi School Goals

Increase the number of students that meet and exceed the Literacy scores by 1% over previous year's state standard scores by providing additional academic resources and assignments to improve critical thinking skills, processing, analyzing, research and expression that focus on fluency, comprehension, and phonics. – Gideons

Our average MAP percentile will grow by 15% from Fall to Spring. – Gideons

### School-Parent Compacts

As part of this plan, The Kindezi School and our families will develop a school-parent compact. It is an agreement that explains how parents, teachers and students work together to make sure all our students reach grade-level standards.

The compacts are reviewed and updated annually based on feedback from parents, students and teachers during the Schoolwide Planning meeting and the School Forum.

Parents and teachers worked diligently to create compacts specifically for each grade level. A copy of the school-parent compact brochure is distributed to every family to use during the year.
