What is Title I?

The Kindezi School is identified as a Title I school as part of Every Student Succeed Act of 2017 (ESSA). Title I is a federal program that provides funding to local school districts to help ensure that all children in district Title I schools meet the state's high academic standards.

Title I programs must be based on effective means of improving student achievement and including strategies to support parent and family engagement. All Title I schools must jointly develop a written parent and family engagement plan with all parents and families.

School Plan for Shared Student Achievement

What is it?

This is a plan that describes how The Kindezi School West will provide opportunities to improve family engagement to support student learning. The Kindezi School West values the contributions and involvement of parents to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that The Kindezi School West will support parent engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it developed?

The Kindezi School West invites all parents to attend our Title I Parental Engagement Input meeting to review and revise this parent and family engagement plan, our school-parent compact and the parental engagement budget. Additionally, parent input and comments regarding this plan are welcome during the school year. The plan is sent home with each student by October 31st. It is available in the Parent Resource Room, electronically through school website, Parent Square, Facebook for parents to view and submit feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year. We also distribute an annual survey online and by student distribution to ask parents for their suggestions on the plan and the use of funds for parental involvement. Parents can also give feedback during parent meetings and activities during the school year.

Who is it for?

All students participating in the Title I, Part A program, and their families, are encouraged and invited to fully participate in the opportunities described in this plan. The Kindezi School will provide full opportunity for the participation of parents with limited English, parents with disabilities and parents of migratory children.

Where is it available?

The plan is distributed in hardcopy with each student, and distributed at the Annual Title I meeting. Parents can also retrieve a copy in the Parent Resource Room and electronically.

2018-2019 The Kindezi School Goals

Increase the number of students that meet and exceed the Literacy scores by 5% over previous year's state standard scores by providing additional academic resources and assignments to improve critical thinking skills, processing, analyzing, research and expression that focus on fluency, comprehension, and phonics.

School-Parent Compact

As part of this plan, The Kindezi School West and our families will develop a school-parent compact. It is an agreement that explains how parents, teachers and students work together to make sure all our students reach grade-level standards.

The compact is reviewed and updated annually based on feedback from parents, students and teachers during the Title I Parent Engagement Input meeting. A copy of the school-parent compact brochure is distributed to every family to use during the year.
